This geological map displays several distinct geological units, each characterized by a unique pattern. A prominent unit at the top is covered with a grid pattern and contains the numbers '88' and '96'. Below it is another grid-patterned unit with the number '1806'. A third unit, featuring a diagonal hatching pattern, is labeled '15.5'. To the left of this hatched area, there is a small rectangular region with a green cross-hatch pattern. The map also includes a series of dashed lines forming a polygonal boundary, with a red circle placed near one of its vertices. A scale bar is located in the lower-left corner, and a north arrow is positioned in the upper-left corner. A large, stylized sunburst or star symbol is located in the bottom-right quadrant.
